NATIONAL CHEMISTRY WEEK

FAST OR SLOW
Chemistry Makes It Go!

OCTOBER 17-23, 2021

#NCW

ACS
Chemistry for Life®
AMERICAN CHEMICAL SOCIETY

The graphic features a dark blue background with various geometric shapes (circles, triangles, squares) in white, yellow, and purple. On the left, there is a bright orange and yellow spark effect. On the right, there is a photograph of rusted metal pipes. The text is prominently displayed in the center.

SoFL-ACS National Chemistry Week Outreach Events

Noon - 3:00 PM, Saturday, October 23
Museum of Discovery and Science
401 SW 2nd Street, Fort Lauderdale

11:00 AM - 4:00 PM, Saturday, October 30
Frost Science Museum
1101 Biscayne Blvd., Miami

Chem Club students and faculty from universities will present chem demos and hands-on activities

SoFL-ACS Innovative Project Grants

Active ACS student member chapters/chem clubs or SoFL-ACS members collaborating with local school science teachers are eligible to apply for innovative project grants of up to \$250 from SoFL-ACS for activities such as chem demos, community outreach to local elementary, middle, and high schools, etc. Guidelines are available at: www.soflacs.org. Proposals should be addressed to: Chair of SoFL-ACS and emailed to: jbern0309@gmail.com. Each proposal will be reviewed by the SoFL-ACS executive officers and a decision made within 2 weeks of submission. Funding will be provided from the SoFL-ACS treasurer.

Call for Nominations for 2022 SoFL-ACS Officers

Nominations and self-nominations are requested for the following executive officers: Chair-Elect; Treasurer; Councilors/Alternate Councilors. Send nominations by Nov. 1 to: gfisher@barry.edu
